CTCS FINANCIAL INFORMATION – 2016-2017

Annual Commitment

One-Year Contract: Parents sign a contract accepting financial responsibility throughout the academic year.

Financial Responsibility: Central Texas Christian School makes annual contracts with faculty and staff, buys curriculum, supplies and equipment, etc. based on the amount of expected annual tuition income. The Parent agrees to pay tuition, fees, and other expenses in full for the entire 2016 - 2017 school year.

Early Withdrawal & Annual Commitment: Parents make annual contracts to partner with CTCS for their children's education and commit to pay the annual tuition in full. Should the student withdraw early from CTCS for any reason, either voluntary or involuntary, the undersigned Parent agrees to pay for the entire annual tuition and any unpaid fees and expenses to CTCS who has made annual financial commitments to faculty and staff.

Payment Plans: CTCS offers four tuition payment plans. Parents may choose to pay annually by June 6, 2016, or semi-annually on June 6, 2016 and January 6, 2017. Parents may choose to make twelve payments on the 5th of each month beginning in June 2016, or the 25th of each month beginning in May 2016. Tuition payments must be current for the student to begin classes in August and January.

Late Charges and Returned Payments: Parents will incur a late charge of \$20.00 five days after their payment is due. Parents will incur a returned payment charge of \$30.00 to cover the expense from the tuition management institution.

Non-Payments: Parents sign a legally binding contract to pay in full the annual tuition, fees, and expenses throughout the year. Non-paying Parents agree to receive reminders of payments due. Parents who have accounts overdue by 30 days agree to have their ParentsWeb disabled. Parents who have accounts overdue by 60 days agree to have their student(s) involuntarily withdrawn and records forwarded noting "Failure to Keep Financial Commitment" as the reason for their involuntary withdrawal. Parents who have accounts overdue agree to have their student(s) ineligible to begin classes in August or January, receive final semester grades, or to reenroll for the next school year. We encourage all Parents to keep their commitments.

FACTS: CTCS partners with FACTS for tuition management. Parents agree to setup an account with FACTS to process all tuition & incidental payments.

General Information

Hardship Tuition Assistance: Hardship Tuition Assistance is based on need, an approved application, and availability of funds for enrolled CTCS families. Hardship Tuition Assistance applies only to tuition.

Lunch: Menus and order forms are on ParentsWeb monthly. Meals are from local fast-food vendors. Parents are responsible to check their student's school activities before ordering. Missed lunches are not refunded, but may be picked up at the school.

Early Childhood Enrichment Program (ECEP): ECEP is our afternoon program for PK3, PK4, and half-day classes. Students meet from 11:30 a.m. to 3:15 p.m. ECEP is \$20.00 per day and is billed monthly.

Uniforms: Uniforms are part of the CTCS experience for all students K-12th grade. Uniforms can be purchased from Parker Uniforms in Austin. Detailed product sheets are available from the Director of Admissions. The PTF sponsors a used uniform sale in the summer and winter.

Miscellaneous: Additional charges may include events and activities such as field trips, retreats, art supplies, yearbooks, pre-college testing, Student Leadership University conferences, some Winterm classes, etc. Costs and payment schedules will be released for these activities as they occur.
